Hopes for Kanawa still alive

Although the future looks dim, Frank Wallace is not yet abandoning hope that a permanent home for the Kanawa canoe collection can be found in Haliburton Village.

The long struggle to relocate the tremendous collection of water craft from its present site in Stanhope Township to be a permanent site at Glebe Park ran into a brick wall recently when Sir Sanford Fleming College reversed its decision to participate with an expansion of the Haliburton campus.

Wallace, the man behind the relocation drive, said he met with Frank Reardon from SSFC and was told the Frost Campus is facing serious financial problems. Because the Haliburton Campus falls under the wing of this campus, an expansion here is out of the question, Wallace was told.

This all comes as a surprise to Wallace, who says all correspondence with the college to this point had been very positive. He said the college's former president Charles Pascal was in full support of the Kanawa museum becoming part of the school.

Wallace, who is a member of the Haliburton County Historical Society, said everything is now in a "holding position" while he investigates one final possibility. "We have one more card to play," said Wallace, but did not elaborate on what that might be.

Enough money had been raised to conduct a feasibility study on the project. However, without the commitment from the college, Wallace says that study will not go ahead.

Flood zoning being revised

The latest revision to the Gull River flood plain mapping in Minden will come as good news to the group of property owners who strongly objected to

the initial plans.

The proposed flood plain has been revised and will now be confined mainly to the river channel. Anson, Hindon

and Minden Chief Building Inspector Peter Oomen says the new mapping will loosen the restrictions on construction within the area initially

designated as flood plain. According to Oomen, that area will now become part of the flood fringe, where development will be allowed if flood proofing

precautions are taken.

The revisions apply to the flood zone within Anson, Hindon and Minden. Lutterworth Township had received no indication that the zone in that municipality would be shifted.

The flood plain proposed at a public meeting on March 5 stirred much dissent from those whose properties lie within the boundaries. About 50 people attended that meeting and strongly opposed the mapping as laid out by the ministry.

meeting is
still a go
for Wednesday

A second meeting was held in Lutterworth Township on March 26 and the opposition to the zoning in that municipality was equally as vocal. The proposed zoning could eliminate the potential for development on these lands and cause the property values to plummet, the owners felt.

The Ministry of Natural Resources' decision to decrease the area of the flood plain comes as a surprise to Gord Monk, who is in the process of organizing a property owners association to oppose the initial zoning. Although he is pleased with this decision, he said he is still cautious with his optimism. "Until I see it etched in stone, I don't necessarily believe that's the way it will be," he said last week.

He is still planning to have a meeting of property owners this Wednesday morning in the council chambers to make sure everyone is aware of what is happening.

According to Oomen, the revised flood plain includes the river channel and a few low-lying areas along the banks. Letters are now being sent out to affected property owners. Another public hearing is slated for May 17 at 7 p.m. in the council chambers.

Author Lester Pelham, ably played by Andy Cooper, reads through the script of his latest production with the assistance of his secretary Maggie Horton, played by Terry Johnson and actress Toni Williams, played by Sarah Stouffer. This latest HHSS Drama Club production had the audience in stitches throughout the performances on Friday and Saturday night. Along with other cast members, Andrea Burton, Richard Beers, Tammy Powell, Chantal Bellefleur, Lee Raback, Angela Smith and Alison Sisson, these three proved there is a wealth of theatrical talent coming up through the ranks in Haliburton.

Wilberforce school challenges others to support band trip

A challenge has been issued by the grade 2 - 3 class of Wilberforce Public School to all other public schools in Haliburton County.

The youngsters took a glass jar around to their fellow students and raised \$25 for the HHSS Stage

Band trip to Calgary.

Donations are being made by people from all walks of life who support the local kids in their quest for funds to attend the National Stage Band Festival in Calgary in May. A few of the latest announced were \$1,000

from Minden Kinsmen Club, \$50 from Stanhope Recreation Committee and a donation from local businessman Gordon Monk.

If you are interested in contributing to the HHSS Stage Band Fund raising effort, cheques may be

made payable to HHSS Stage Band and sent to the High School, Box 390, Haliburton, K0M 1S0 or

donations may be left at The Times office on Bobcaygeon Road in Minden where they will be gratefully accepted.

Staying alive

Haliburton's Scott Nesbitt was surrounded by teammates after scoring the tying marker in Friday night's midget game against Glencoe at the Dysart arena. This game went into overtime, where Haliburton scored four more times to take the 10-7 win.

Information night for Minden excursion this Wednesday

Individuals interested in the visit to Minden, Germany and the two week tour of Europe will have an opportunity to learn more about the trip this Wednesday evening.

A special informational night has been planned for people considering taking part in the trip. The evening will include a detailed examination of the itinerary, films depicting some of the sights to be seen during the two weeks in Europe and information about costs.

The trip is being organized jointly by The Times and Town and Country Travel Associates of Haliburton and Cub Coneybeare of Minden. While the possibility of organizing a trip to Minden, Germany had been under consideration for a number of years, interest was sparked last September when a large contingent from the German city visited our community. Another group is expected

to arrive this September and will in fact be leaving for home on the same day that the Minden, Ontario trip departs from Toronto.

A detailed itinerary was established for the tour group after the visit to Minden, Germany. Included in the fully escorted trip are visits to Berlin, Munich in time for Oktoberfest, Austria, Switzerland and back to Germany.

Details of the three day Minden portion of the trip are just beginning to be set. Initial plans call for a civic reception, tour of the country-side around the city where 26 restored windmills are still operating, a tour along the river Weser which flows through some of the oldest settlements of Europe and a boat cruise along the river. Other plans for the Minden portion of the trip are still being worked out, but indications are the delegation from our village will be received enthusias-

stically in Germany.

The meeting will be held in the Minden Council Chambers at 7:30 p.m. Everyone is welcome to attend.

Police nab kidnap suspect

Glen Paul Baldassi is the man charged in connection with an attempted kidnapping in the Kennisis Lake area on April 1.

Baldassi, 38, of Hamilton, has been charged with kidnapping, possession of a weapon, assault with a weapon, break, enter and theft, possession of stolen property and dangerous driving.

A 45-year-old woman was walking on a cottage road that morning at Kennisis Lake when she was approached by a man in a car. Police say the man was armed with a knife, and he grabbed the woman and tried to force her into the car. The woman escaped when another vehicle came along the road, and the man then drove away.

Police spotted the car a while later southbound on Highway 35 and pursued it

all the way to Norland before the driver pulled over. Baldassi is reported to be the driver of the car, and police later discovered that the car had been stolen from a cottage at Kennisis lake which had been broken into.

OPP Constable Ken Wesley is the investigating officer.

Disqualified driving

Edward Leroy Ebertt, age 47, of Haliburton, has been charged with Driving while disqualified after an incident during the afternoon of March 30. Ebertt has also been charged with Breach of Probation and will appear in Provincial Court Minden on May 4.

Prov. Const. Ron Buchanan investigated.

Theft

Donald James Mann,

age 36, of Minden, has been charged with Theft after a jacket and wallet were reported stolen from the Rockcliffe Tavern late March 28. Mann will appear in Provincial Court Minden May 4.

Prov. Const. Al Barnes investigated.

Show our best side

As the final remnants of snow gradually melt away across Haliburton County uncovering the mounds of sand, litter, and gravel which accumulated over the winter, it becomes clear that now is the time to get out in the streets and yards and do a little spring cleaning.

Spring is here, and in a short while another big tourist season will be upon us. But before that time arrives, we should make sure everything is in order by taking a little time to tidy up.

Haliburton is arguably the most beautiful part of Ontario, largely because of the pride that we, as residents, take in keeping it that way. So let's get out the rakes, shovels, garbage bags and brooms and show just how proud we are of our part of the country.

Letters are always welcome

The letters column, one of the best read sections of the newspaper, is open to all readers for expressing opinions on matters of local interest. In encouraging readers to make use of this service, we would advise that letters which are not too lengthy, come to a point clearly and quickly, draw the greatest readership. All letters to the editor must be signed with information provided so we can authenticate authorship, and writers should be aware that their names will appear with the letter.

We reserve the right to edit letters for length or content, however edited letters will not be printed without the author's approval of the changes. Letters rejected for publication will be returned. We also reserve the right to reject any submissions.

Linguistic Alzheimer's Disease

Sometimes I get the feeling I'm coming down with some kind of linguistic Alzheimer's Disease. I don't seem to comprehend the English language anymore - large chunks of it anyway. Consider: here I am sitting in a Dunkin' Donuts coffee shop, contemplating a tiny, fluted plastic tub with a tinfoil top that tells me it is "non-aerated dairy creamer".

What the hell is that?

I've got a letter from Revenue Canada in my pocket that contains this paragraph: "Subtract Total Personal Exemptions on line 45 from Net Income on line 41 and enter the result on line 46. Subtract line 59

black 'n white

by Arthur Black

from line 46 and you will have arrived at your Taxable Income on line 60., Carry it to page four."

Jargobabble - it's everywhere. Military types drone sonorously about anti-personnel devices - they mean lethal weapons. Smiling Al down at the car lot

tries to sell me a "pre-owned" (used) Oldsmobile with brand-new "impact attenuators" (bumpers).

You think it's better in the Groves of Academe? Here's a fragment of a letter from an academic: "The colleges, trying to remediate increasing numbers of ... illiterates up to college levels, are being highschoolized."

Read it and weep - the writer is a graduate professor of English at an American university.

Another "shot in the arm"

Editor:

After reading an article in The Times - re. "A shot in the arm" for Minden, I thought perhaps the general public and

businesses would be interested in "two" shots.

The winter activities are a great boost for the economy in this area, and certainly the ice car racing is one of them. The second

"shot", I believe, comes from the Haliburton Snowmobile Club.

About six years ago the H.C.S.A. took a survey and at that time the snowmobilers brought in

\$6 million, over the course of the winter months. Gas, oil, food, accommodation and certainly the purchase of machines, parts and clothing.

The H.C.S.A. now has 1800 paid memberships, many local folk, but with snow conditions to the south of us, the past couple of winters, we've had many folk from all sections of Ontario and also many groups from the U.S.A. who come to enjoy our scenic trails.

This year, we, even had snow problems in certain areas, where our groomers could not go, due to the lack of enough snow to cover rocks, stumps, etc. This also means money for local business, as our equipment needs repairs, etc. We employ five men to drive the "Bombis", we also have a "trail" foreman, so this is a very costly business and we depend on the snowmobile riders to pay, to ride on the trails. (Some years, better than others), but then we have to depend on the "weather-man" to give us the "great white stuff" to do a good job.

As our newsletters say, "We support the businesses who support us. To those people a big "Thank you". Thank you also to the Townships who have come to our support, and for the many folk who enjoy this winter sport. See you on the trails next year.

Our annual General meeting for the H.C.S.A. is set for May 28. We would like your support, good or bad, at this meeting. More details later, on this meeting in The Times.

W Gemmell,
R.R. 1, Minden.

Opponents not heard

Editor:

We were very disappointed with your article regarding the possibility of moving part of the school to the former IGA building. All this article contained were the opinions of two people who are both for the move. None of the parents of the young children involved were interviewed to see if they would like to give an opinion.

It also seems to be lacking some facts. We have all heard over and over again how much portables cost the taxpayers to purchase, but we have not heard how much the taxpayers will be paying to rent the building being considered. Did anyone even consider

renting portables so at least the children would remain on the school property?

Your article also states that students who are already in portables feel alienated from the main student body. How do you think the five and six year olds you move entirely off the school property will feel? They won't even be a part of the school or does this not matter because they are so young? These children have feelings too. How will they feel about lacking facilities that the other students will be taking for granted? It seems to us that the feelings and rights of the children are not being considered in this issue and that they should be considered first.

Although we realize the school requires more room to accommodate the growing population we do not feel that locating a school on the main street of Minden is a very safe environment, whether the playground is temporarily fenced in or not.

We feel there are other options available and since this will be "completely funded by taxpayers" it should be up to the taxpayers to decide how much they are willing to pay for these options.

We look forward to the meeting on April 13, 1988 to discuss this issue with a majority of other concerned parents and hope that the next article we see in this paper won't be quite as one-sided.

Two very concerned parents and taxpayers.

Dave and Sandy Hartwick
Minden.

Editor's note: The cost of purchasing portable classrooms included in last week's article was in fact not the information provided by Trustee Wendy Ladurantaye. Correct information regarding renting or purchasing portable classrooms versus the rental price of the downtown location as estimated by the trustee are provided in this issue.

Clarification

The article in last week's newspaper concerning the possible location of classes at the former IGA building left an incorrect impression on the cost comparisons. According to Minden trustee Wendy Ladurantaye, it would cost \$150,000 to purchase the six portable classrooms which have been deemed necessary to accommodate students at the school, or \$144,000 to lease them over the three year period, or \$75,000 to rent the former grocery store. The trustee stressed the calculations represent "ballpark estimates" and did not take into consideration set-up charges for the portables, or the renovations needed at the downtown location.

We regret any misunderstanding this error may have created.

Giving

directions

by Edward Moll

I remember one payday a long time ago. The cheque was in my hot little hands, fruit of my labours at the Home Renovation Centre, and dreams of a bicycle, ten-speed, toe-clips, saddle-bags flew through my mind like dandelion fluff. I thought of how I would divide up my booty: let's see ... ten per cent for God (I tithed at the time. I still do. It's good financial discipline.) and the rest for me. Sounded good.

As I got on the bus to go to the bank downtown, a still small voice started itching at the back of my brain. I ignored it for a while but then it became bothersome, a place where I couldn't reach to scratch. So I listened...

"Ten percent is not mine. One hundred percent is mine. I'm giving you ninety percent to manage wisely. That ten percent is just to let you know where it all really comes from."

I'll never forget it. It was as if a whole new door was opened to me about what I thought I possessed. In reality, I possessed nothing.

Whatever sum, whatever work that I had to bring that sum home, whatever health that I had to enable me to work to bring that sum home, all of that was a gift. Sheer unadulterated grace. That revelation most effectively blew a gaping hole in what I thought was mine and what was owed to me.

Why does this thought come to mind at this time? This is April. We just celebrated Easter. This is April, the end of which is the deadline for our tax returns. And what do gifts have to do with tax returns? Plenty, especially if you are claiming them as tax deductions. In fact, sometimes the only reason we give is that we know that at the end of the fiscal year we can deduct that amount from our taxable income. It's sort of like giving knowing you are going to get it back in some form, usually by paying less tax.

I question this kind of conditional generosity. It smacks of manipulation that is decidedly uncharitable. The fact that the opportunity is there on our tax forms speaks to me of a cynical attitude: people won't give unless they get something in return, they are calculating in their charity, heartless in their generosity.

Even for those of us who call ourselves Christian, where money is concerned, we practice a distinctively practical atheism. As long as God doesn't demand too much of me where my pocketbook is concerned, as long as I don't think of how justice and mercy can meet in my wallet, as long as I don't have to make the connection between the gift and the Giver, I'll "do all right thank you very much and its none of your business what I do with my money anyway".

In an age where the prevailing metaphor is the Grasp, the Gospel of Jesus offers something else to consider:

an Open, Unconditionally Giving, Nail-Scarred Hand.

Two glimmers on the horizon

(from page 4)

academics do it, soldiers do it, governments and ad writers and God knows journalists do it. But no slice of the human pie jargonizes and fuzzifies quite as thoroughly and enthusiastically as the business sector.

Business English - a whole horror story in its own write.

Business scribes are the people who gave us such excrescences as "prioritize" and "containerization". They're the folks who can twist a simple phrase such as "about your last letter" into something like "re yours of the fifth inst."

Well, I'm delighted to report that there's a wee glint of sunshine on the "bizlit" horizon - two glimmers, actually. One is the birth of The Percy. The Percy takes its name from that deadly phrase with

which many an equally mordant memo begins - "pursuant to your request ..." A Percy is an award, like a Grammy, an Emmy, or an Oscar. All you have to do to win a Percy is pen the worst memo or business letter in any given year.

Percys are awarded in several categories, including "Make My Day" for the memo or letter with the most anger seeping through; "Mrs. Malaprop", for the submission with the most misused words and phrases; and "Stuffed Shirt", which is awarded for the business missive using the most jargon and antiquated phraseology.

If you've got a contender in your In Basket, send it to The Communications Workshop, 217 E. 85th Street, Suite 442, New York, N.Y. 10028.

More good news for business English comes from Britain, where the U.K. Civil Service, 500,000 paper-

pushers strong - has just received a pamphlet enjoining them to speak and write clearly and concisely.

The pamphlet calls champions ranging from Prime Minister Thatcher. There is no exaggeration to describe plain English as a fundamental tool of good government.") to the Bible: "Let thy speech be short, comprehending much in few words." Ecclesiastes 32:8.

I'm sure the campaign will be a huge success. The Brits have a talent for this sort of thing when they put their mind to it.

As was demonstrated by the British military commander Sir Charles Napier, who, in the 19th century besieged and conquered the Indian province of Sind.

His one word communique back to London Headquarters: "Peccavi".

It's Latin for 'I have sinned'.

Flood zoning drops taxes

Editor:

Re: Gull River
Floodplain,
Lutterworth/Anson,
Hindon & Minden

In attending the public meeting held in Minden Council Chambers on March 5, 1988 several interesting factors came to light. In considering these factors I felt that the citizens of Minden, in particular, were being presented with only a partial picture of the scenario which will result if (and when) the respective councils pass zoning by-laws to confirm the floodplain mapping produced at that public meeting.

As is well known by now, much of the downtown commercial core of Minden is, and has been, subject to flooding. Once this area is rezoned to reflect the flood prone areas, interested purchasers will obviously discount potential purchase prices to reflect this factor. This discount will result in a significant decrease in the Market Value of those properties and owners will be justified in demanding a reduction in the assessed values of their properties.

Traditionally, the commercial property owners

in such communities as Minden bear a large portion of the tax burden as their properties command much higher values than residences. The scenario outlined above, then, will have the effect of eroding Minden's commercial tax base and the burden of heavier taxes will fall upon the residential property owner. Since many of these owners are retired and living on a fixed-income such a tax burden may well be intolerable, such that owners will have to sell.

Given normal market forces, if many properties come on the market (increasing the supply substantially), with the reason being an intolerably high tax burden (decreasing the demand), property values, generally, will trend downward. The obvious answer is to reduce the tax burden which could only be achieved by reducing the level of services offered by the municipality.

Does Minden Council, then, find itself in a "Catch 22" position with pressure for rezoning coming from Provincial and Federal flood control bodies and pressure from ratepayers to forego the situation? It would

appear so!

However, at the public meeting of March 5, 1988 the Federal engineer indicated that the flood problem in Minden could be almost completely eradicated by application of flood attenuation programs upstream. This would involve construction of a water detention facility above the present dam. In potential flood conditions the water flow could be drastically reduced and the overflow stored in the detention facility. This would seem a simple answer on the surface. Why has it not been properly considered?

The answer is twofold. Firstly, the various governments are blindly attempting to treat the symptoms rather than seeking solutions to the problem. Secondly, the Gull River and its watershed has for many years been used as a reservoir for the Trent-Severn Waterway. Water flow in the entire system has been regulated to provide proper water levels for the Trent Canal with little thought to upstream water levels. Apparently the control of the Trent-Severn Waterway is such that flood attenuation measures as outlined

above will not be considered by those individuals in control of that waterway. Flooding Minden is a minor matter provided that water levels in the Trent remain optimum.

The answer is there! Refusal by Lutterworth and Minden Councils to bring the existing zoning by-laws into conformity with flood control mapping pending proper consideration of upstream flood attenuation schemes would exert pressure on Federal and Provincial officials to try to find a compromise position with the Trent-Severn Waterway Commission.

A letter writing campaign from all citizens of the two municipalities would also impact on this process. Hopefully, the two councils will "see the light" and resist the "Big Brother" pressures being brought to bear and with grass roots support the proper measures will be taken.

Say NO to T.O.'s garbage

Editor:

Reading through "The Times" April 4, I came upon an article which shocked us. "Is there Gold in Toronto's garbage?" Lutterworth township is giving consideration to a proposal from Metro Toronto to accept its waste. How can these

council members, who were elected by the ratepayers, think of accepting Toronto's garbage regardless of the money it might bring into the townships? Just stop for a moment and consider what could happen to our water supplies, soil and even the air we breathe by accepting this waste. Who in their

right mind would want a cottage or retirement home in a township that harbors a city's garbage? Are we not striving to stop pollution for our future generation in this beautiful Haliburton Highlands? Come on Lutterworth council, get your heads on straight. Let Toronto keep their gold and waste disposal problem, don't let it become our problem in a few years or you may be the only ones left in this

township wading Toronto's garbage, drinking poison water, eating radioactive vegetables and swimming in slime, panting for clean air. This is not the environment we want for our children and grandchildren.

Very concerned ratepayers.

Mervin & Margaret Brohm,

Billie and Dave Shuyler would like to thank everyone for their support over the last twenty-two seasons, and wish Sandy and Doug Prozak much success and happiness, as the new owners of Blairhampton Golf Club

5th annual walk

Editor:

We are very pleased to announce that the 5th Annual Walk For Water will take place on Saturday, June 4 at 9:00. The route is 23 km. and will take us through part of beautiful Monmouth Township, starting and finishing at the Lloyd Watson Memorial Centre in Wilberforce. Your H.A.V.E. Committee continues to provide fresh water to villages in third-world countries (58 dug wells to date) and our

Project Co-Ordinator, Gerry Feltham, is in India right now looking for prospective sites.

We look forward to the continued support of the Minden community with our projects. So get those sneakers out now and start walking to get in shape! If you are unable to walk, please sponsor a walker. Forms are available at Re/Max or The Times.

Province recognizes achievements

I would like to devote this Queen's Park Report to services our government provides in recognizing individuals and organizations.

There are two separate ways the Premier of Ontario recognizes outstanding achievements and memorable events: congratulatory scrolls and official messages of greeting.

As many people in Victoria - Haliburton are aware, scrolls are generally provided to recognize long term achievements in a variety of areas, including birthdays, anniversaries, retirements and years of service to a community.

Our office is now able to assist you in providing scrolls for those celebrating 80th birthdays and 40th wedding anniversaries. This change is effective

May 1, 1988.

In the past, scrolls were issued for those people celebrating 50th wedding anniversaries or more and 90th birthdays or over. Many people in Victoria - Haliburton have received these beautiful scrolls and they are just one way the Premier of Ontario recognizes citizens for their accomplishments.

The second activity is the provision of official messages of greeting from the Premier. In this way, recognition is given for certain special events, official ceremonies, special tributes, individual achievements and for groups representing Ontario at events outside the Province.

I have had the honour

and pleasure many times in the past to assist people in the riding with their special honours and I will

continue to do so. If I can be of assistance, please contact my office at 324-6654.

by John Eakins, M.P.P.

Another award which may be of interest to people in Victoria - Haliburton is the Order of Ontario. It was created to recognize excellence and achievement of the highest degree in community leadership, volunteer

service, business, industry and labour, the professions, research, culture, the arts and other fields.

Any person or organization may nominate a person who is a resident of Ontario for the award. No elected municipal, federal or provincial represent-

ative is eligible while such a person remains in office.

To obtain more information and to receive a nomination form, please write to: Coordinator, Ontario Honours and Awards Secretariat, Mowat Block, Queen's Park, Toronto, Ontario, M7A 1C1. The telephone number is (416) 965-8944.

After dropping the first two games to Glencoe in the all-Ontario championship finals, it looked as though the Haliburton Midget Huskies were going to let a third slip through their hands on Friday night. Glencoe held a 6-3 lead midway through the third period but the Huskies battled back to tie it up and force the game into overtime. Haliburton scored four times in the ten minute overtime period to earn the 10-7 win. Goal scorers for Haliburton in this game were Scott Russell with four, Erin Nicholls with two, Darren Byers, Jaro Cooper, Scott Nesbitt and Jeff Warburton. These teams were to have played the fourth and fifth games of this best-of-seven series on Saturday and Sunday at the Dysart arena.

12 teams curl in final mixed 'spiel

Submitted by Gil Scott

On Tuesday, March 29, a final Senior Curlers Mixed Bonspiel completed a very successful winter of curling for 12 enthusiastic teams.

Stan Hill and his team of Gloria Nimigon, Nancy Moore and Roy McDonald took overall honours with high points to take home 'luscious' roasts while the teams of George Hewitt, Gwen Cox, Ira Carter and Don Graham; Bill Donnelly, Jim Grant, Merle Codlin and Wanda Carter were rewarded as second- and third-place winners by receiving double T-Bone steaks.

Single high game winners of A and B Draws were: Marian Ingram, Jack Harrington, Mel Robertson, Doug Pritchard and Russ King, Ed Shaw, Lloyd Coleman, Ursula Dymott who received single T-Bone steaks. An enjoyable lunch of chicken, salads and

desserts kept everyone happy.

Many thanks to Stan Hill and his very capable volunteer crew for an outstanding wind-up to this curling season.

See you all at the Annual Banquet and Awards Night at the Club Saturday, April 16.

Richard's finds new home

It was smiles all round April 2 as Richard's Restaurant marked its official opening at its new location. Owner Richard Milewski celebrates the opening with his staff, from the left, Sheila Russell, Teri Higgs, Rosealie Harrison and Heather Plumley.

Richard's Restaurant has found a new home. The restaurant has moved to the former Newmarket Precast building on Highway 35, across from the Ontario Hydro office and yard. While the move may not have been one of a great distance, Richard Milewski the owner, says the new location has already attracted a substantial increase in business.

He explained that the move to the new location was undertaken to serve his many customers better and early indications are that they agree with the change.

Richard has operated a restaurant for two years, offering home cooking of European and Canadian dishes. During that time he has attracted a loyal group of customers, who particularly enjoy his European specialties, cabbage rolls, farmer's sausage and Polish shish kebab.

While these items are popular, Richard's Restaurant features more traditional dishes as well, including a daily special. Richard takes pride in the fact that he bakes his own muffins and pies and the soups are homemade. Soon to be added to the menu is rotisserie style chicken, chicken wings and a char-broiler for steaks and hamburgers.

All of the items on the menu are available for take-out.

Richard's Restaurant is located on Highway 35, just north of the South Water Street exit. The restaurant is open Monday to Friday 6 a.m. to 8 p.m., Friday and Saturday until 10 p.m. and Sundays from 7 a.m. to 8 p.m.

Roodenburg rink tops in mixed

The Thursday and Friday night mixed curling league seasons came to a close with final playdowns last Wednesday and Thursday.

Wednesday night saw the semi-finals with the Thursday night league represented by Herb Roodenburg vs. Bill Bonner with Herb winning 6 to 5 in a well curled exciting game.

The Friday night league was represented with George Hewitt's rink against Jim Garbutt also a good game with Jim winning 7 to 4.

Herb Roodenburg's rink was at its best during curling playoffs. The team of Herb Roodenburg as skip, Bill Beers as vice, Hunter Obee as second and Janna Obee as lead won the Thursday night mixed championship by beating Bill Bonner's rink on Wednesday. The team then went on to beat Jim Garbutt's rink for the overall mixed title.

Jim Garbutt's rink proved to be the best in the Friday night mixed curling league, edging out George Hewitt's rink for the championship last Wednesday. However, his team, made up of Nancy Garbutt as vice, Cathy Perrot as second and Tim Vezina as lead, lost out to Herb Roodenburg in a very close game Thursday for the overall championship.

Second and Janna Obee Lead. Against Jim Garbutt Skip, Nancy Garbutt Vice, Tim Vezina Second and Cathy Perrott Lead.

It was a high scoring exciting game to watch, very wide open with Herb Roodenburg's team coming out on top with a score of 12 to 8. It was two good nights of curling to end our season that was thoroughly enjoyed by the turnout of spectators.

The York Royal Treatment

Heating and Air Conditioning fit for a king.

If York can bring comfort to Broughton Hall in York, England, imagine what we can do for your home. Because your home is your castle, we recommend a York Stellar 2000 heat pump, because heat pumps beat the others cold. They do it with remarkable air conditioning that cuts the summer heat. Then they cut your winter heating bills with super efficiency. A heat pump is the most energy efficient heating system available, beating all the others because it actually delivers more energy than it uses.

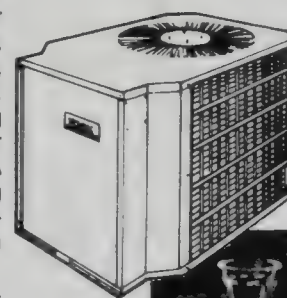

The York Royal Bonus.

Buy now and receive your choice of exquisite Waterford Crystal or a York Cash Rebate from \$150. to \$775. But act quickly as this is a limited time offer. Premium or amount is determined by equipment purchased.

You could win a trip to England.

Ask us for a Free Home Survey of your residential comfort needs and you could win a trip for two to England via British Airways and stay at the luxurious 5-star Royal Garden Hotel*.

When the Olympic Games began in Calgary, it seemed that the world stopped. Hearts and minds were centered on the personal struggles of hundreds of athletes who gathered to represent their home countries in competition among the best in the world.

Calgary was ready for the Olympics. More than 9,500 volunteers were arrayed in support of the Games. Integral to this huge army of volunteers, were Rotarians from the seven area Clubs who brought the Rotary spirit to the gateway city of the Rockies.

Many Rotarians assisted in such important and

valued services as driving for a massive transportation pool, interpreting, media hosting, VIP hosting and information services.

Rotarians from around the world had the opportunity to make up their attendance at Calgary and were surrounded by the Rotary spirit and if you happened to be from the furthest away, you received a special Rotary Olympic medal.

The Olympic spirit is akin to the Rotary spirit. As Rotarians, we are proud to host any other Rotarian in the world organization. We, above everything else, recognize the great opportunity to bring new levels of understanding as was done to raise those spirits at the Olympic Games in Calgary.

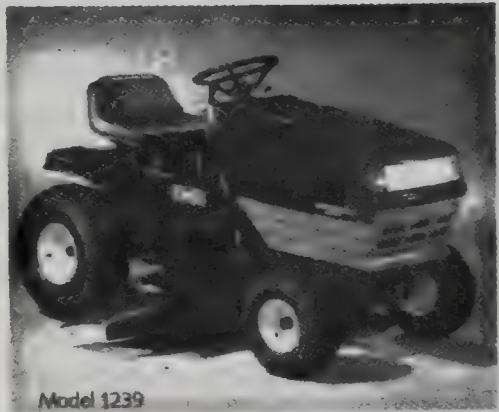

Fireproof your home

By eliminating potential fire hazards from your home, you can greatly reduce the chances of ever losing your home to flames. Check your home for fire hazards. Many fire departments will assist you by inspecting your home and recommending corrective action. Contact your fire department for more details.

Hello readers: It's nice to see the green grass again; also the robins.

We welcome another new resident Mr. Bob Mitchell. We hope he will

like it here.

On April 2nd Mr. and Mrs. Ray Jenkins, their daughter Geraldine and son Jeff visited Finnie. Ray played the piano for a sing song which was enjoyed by

Time to wake up and get busy

Spring, wonderful spring! Creeks are flowing, mud is showing, snow is disappearing, sap is dripping! What a wonderful time of year.

Yes spring has begun! We heard the alarm the other day, when thunder rolled and lightning flashed. Time to wake up and get busy!

Already we can see those heralds of spring bursting through the ground, even below the ice and snow their strength is incredible, as they reach up, eager to bring forth their beautiful blooms that the world may see and admire.

We, indoors have itchy fingers as we eagerly clutch the soil in preparation of flats for early seeding. Favourite flower and vegetable seeds are planted with great expectations.

The Junior Members will soon be planting Sweet Pea seeds in their home garden plots. As soon as

the earth can be worked is planting time for these fragrant bloomers. "Good Friday" it has been said is the day for planting Sweet Peas.

How are your Tuberous Rooted Begonias sprouting? No matter how dormant they first appear, it isn't long before they produce sprouts when brought into the warmth. Miracles! Those gorgeous blooms of summer!

Plans are well under way for the Spring Seminar for District No. 4 being held on April 30 in the auditorium of the Minden Recreation Centre. Members come from all over the District and from all directions for this Seminar. Port Hope and Cobourg in the south, Peterborough, Lindsay in the Central part and Haliburton, the most Northerly, but there are several other Villages not mentioned.

all. Holly Harrison was in to see his father Bert Harrison on Tuesday. I had my granddaughter Nancy Lyle to see me on Thursday. She took me out for dinner. Nancy was on her way to Kitchener to spend the weekend with friends. Alice Todd had her brother-in-law Tom Cox and Marion Walker to call on her, also her son Harold and wife Frances.

Our services in the chapel Sunday evening were by Rev. J. Burgess and Tuesday by Father George Elliott of Minden Anglican Church. Our afternoon tea was brought in by the ladies from the Maple Lake Church. We really enjoyed it. Nancy Carefoot had George Hudson and her granddaughter from Toronto on the holiday, also, her daughter Mary Guillemain from Kinmount.

Sorry to have to say Royce Harrison, Mrs. Burgess, Ruby Lewis and Edna Cowan are still on the sick list.

We extend our deepest sympathy to the family and friends of Joachim Gauthier who passed away recently.

Birthdays for April are Dora Dawson, Tessa Davis, Mary Casey, Florence Hunter, Marjorie Campbell, and Gordon Ruttle.

When you have an hour to spare, just give a thought or two to friends who would appreciate a letter just from you.

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off the list.

It's as easy as that. Have fun!

Q: What punctuation mark is used in writing dance music?

A: The polka dot.

Q: Where do fortune tellers dance?

A: At the Crystal Ball.

Q: What do you get if you cross a germ and a comedian?

A: A sick joke.

Q: What did Barbie, the play director, do when the actor Chicken Little forgot his lines?

A: Barbie cued the chicken.

Q: Why did Snoopy quit the comic strip?

A: He was tired of working for Peanuts.

Two birthdays which were given to me are those of Mary Casey April 15 and Gordon Ruttle April 12, both of these are at Hyland Crest and good wishes to both.

Mr. and Mrs. Sonny Kellett and Mr. and Mrs. Jim Widocey and Simon spent Easter holidays with Gladys Wruth.

Eileen and Paul Cockburn of Woodville were visitors last Monday with Florence Robinson.

Guests over the weekend with Mr. and Mrs. Bob Hughes included Blake Hughes and girls from Mississauga, the Dave Titus family of Orillia, the Warren Manns and the Wayne Cox's.

Easter Saturday guests with Lila Warburton included the Irene Parcellle family of Lindsay, Lloyd Parcellles of Manitoba, the Paul Warburtons and myself.

The Bud Stamp family and Maud Coulter visited the Ray Rivers at Downsview and Maud Coulter stayed there for a holiday.

We saw that the Paul Yearwood family of Lively were visiting relatives in the village.

Mr. and Mrs. Bill Woolfrey and Wayne of Toronto spent the weekend with Mr. and Mrs. Bob Vick.

Winners at the card party at Club 35 this past week were: door prize - Dolly Kelly, most lone hands - Garth Windsor, high lady - Elinor Hamilton, high man - Clarence Bunker, and other winners were - Garth Windsor, Wally Harper, and Elinore Kleinschmidt.

Sincere sympathy goes to the families and friends of the late Victor Martin, Roy Howe, John Francis Sr. and Joachim Gauthier (Hyland Crest) whose funerals were since last week.

Friday visitors with Irene Moore were Mr. and Mrs. Doug Chamberlain and Adam of Scarborough.

Dean and Shirley Hewitt enjoyed Easter weekend with the Bob Dudmans at Markham.

At the Tuesday night Euchre Games at Gelert Gardens, on April 15, winners were - lone hands - Gord Kellett and others - Ruby Cartwright, Isabel Saunders, Neil Cartwright and Chris Hill. Next games there are April 19.

Weekend guests with Dorothy McElwain were Rocky and Trent McElwain of Toronto.

Jeff Stamp of Toronto spent the holiday weekend with the Bud Stamps.

Laura and Mike Bird of Toronto spent the weekend with their parents, Mr. and Mrs. Earl Bird and girls.

Paul and Islay Warburton and boys of Scarborough visited at my home on the weekend and I went to Toronto with them to visit the Rick Moths there and returned home on the bus Tuesday night.

Enjoying Friday dinner with Irene Moore were Steve Brydson of Downsview, and the Allan Brydsons of Bracebridge and the Earl Bird family.

Thursday card party winners at St. Paul's were: high and low lady - Claire Brooks and Edna Trumbull, high and low man - Florence Dollo and Jack Weeks and most lone hands went to Esther Lee.

Myles and Glenda Morrison and son Brent from Brantford visited with Myles' mother, Alice Morrison, for Easter weekend.

The Minden Museum Committee is busily working on a Heritage Supplement to The Times which will be published in mid-May. It promises to, hopefully, be a keepsake. To defer costs, volunteers will be asking businesses and individuals in the area to purchase advertising space; please give them your support. The committee requires pictures of Welch's store, Bowron homestead or any photo, newspaper or magazine depicting life in early Minden, Lutterworth or Stanhope. If you can assist please call 286-2925.

The community sends good wishes to Rosie Pringle who is under the weather and to anyone else who has that dreadful flu.

The Huntsville Animal Shelter is badly in need of funds or it may close in a month. They now have 59 animals there ready for adoption and receipts are available for tax purposes. If you need more information call 286-3122.

Guests with Gladys Wruth for Easter dinner included Sherdon and Travis Kellett and Gareth and Catherine Kellett, Eileen Carey spent last week with sister Gladys Wruth.

The HHSS Stage Band members are holding a bottle drive here in Minden April 23 to help raise funds for their Calgary trip. Please dig out all your returnable bottles so the kids can collect them. For information, call the coordinator, Joan Pritchard at 286-4009.

"WHERE THE ACTION IS"

MLS increases exposure

prepared by the Haliburton District Real Estate Board

If you want to sell, let us show your property, the more the merrier.

Finding a buyer for your home today can be difficult even in the best of markets, but one way to make it easier is to let as many people as possible know about your property. Let the buyer know as well as those who sell the product.

This is the theory behind the Multiple Listing Service (MLS), a system that puts the talents of all the members of the Haliburton District Real Estate Board behind your sale.

When you sign a Multiple Listing Agreement with a broker or salesperson, you are allowing them to use the facilities and services of all the brokers and salespeople on the Board to sell your property.

A complete description

The broker will discuss with you your home's list price and the terms and conditions under which you will sell it. They will obtain a complete description of your house, including its size, the number of bedrooms, mortgage financing information and any special features that come with the property.

A buyer who is interested in a property like yours can approach any broker or salesperson who belongs to the Haliburton District Real Estate Board and find out about your house.

The Board member will then contact either you or your broker, depending on the arrangements you specify in your listing, and arrange a showing of your home.

No obligations

The listing does not bind you to accept any particu-

lar offer. It only requires you to seriously consider any offer that comes close to your list price and conditions. You are free to accept or reject any offer to purchase that comes in.

When you have sold the property, you are still only paying commission to one salesperson, even if two are involved in your sale. You will pay the broker who listed your property and they will split the money with any sub-agent who assisted them.

Making buyers aware

Using the Multiple Listing Service will make the novice buyers and the real estate people aware of your property. This can help you sell your house faster.

For buyers, it means a wider selection of homes. The broker or salesperson the buyer approaches will have all the MLS listings made in Haliburton County to show him, not just those they made themselves.

Locally available

Another important thing to remember about multiple listings is that the information is made available only to organized real estate people in the area covered by the Haliburton District Real

Estate Board. A property listed MLS in Haliburton County will not be made available to all members of the Ontario Real Estate Board.

MLS is only one way in which the Haliburton District Real Estate Board can help you with your real estate transactions. The Board also has a com-

mittee to handle ethics complaints. This ensures that you will receive honest, reliable service from all the members of the Board.

Your main objective is to sell your home. Take advantage of the tools at hand to assist in marketing your property to its fullest extent!
